Subject: Microsoft Settlement

Your Honor,

I do not know how a company that has been found to be a monopoly, and a vicious one at that, can be dismissed with a settlement. I believe the behavior was criminal, and yet no criminal remedies have been pursued. I do not see how monetary punishments would bother this company, nor provide incentive to change.

Perhaps they could be required to use the money to buy and distribute their competitors products well into the future. I believe that would bother them far more, and maybe enough to change.

Sincerely,
Charlotte Davis
